DECISION ON REVIEW AND ORDER

On May 30, 2007, the Board¹ granted the Employer's Request for Review of the Regional Director's Decision and Direction of Election, in which he found that the Employer failed to meet its burden of establishing that its team leaders were statutory supervisors. Thereafter, the Employer and Petitioner filed briefs on review. Having carefully reviewed the entire record, including the briefs on review, the Board has decided to affirm the Regional Director for the reasons stated in his decision.

Accordingly, the Regional Director's Decision is affirmed. This matter is remanded to the Regional Director for further appropriate action.
